

PECAN CITY PEDALERS

June 1, 2017

Pecan City Pedalers Bicycle Club, a non-profit organization, is sponsoring its 14th Annual Bicycle Ride on Saturday, September 9, 2017. "The Nut Roll" is a fund-raising bicycle event that will benefit Chehaw Park and help to promote Bicycle Advocacy in the Albany area.

Our cycling event continues to raise funds that are used to enhance the experience of children and families at Chehaw Park and brings in excess of 300 riders and their families to the Albany area.

This past year we have begun a new project with street signage, are helping to support the new NICA youth mountain bike program at Chehaw and have supported the PCP race team. We plan to continue our support with the Boys and Girls Club of Albany to help 10 youth that are working on earning their bikes.

Past donations at Chehaw have included updating the BMX track to its State Qualifying status, updating the music equipment at the children's play park, work shed, mountain bike trail head parking, BMX concession stand, canoes, amphitheater, and a children's Hay Ride wagon. Pecan City Pedalers continue to develop and help maintain the 12 mile mountain bike trail around the perimeter of the property. Both the BMX track and Mountain Bike trail have created many new visitors to the City of Albany and Chehaw Park.

Will you please help us continue to bring awareness to Bicycling, the City of Albany and Chehaw Park.

Please consider being a supporter at any level. Available Sponsorships, Gold \$500, Silver \$250 and Bronze \$100 levels, as well as a Supporter \$50. Please see our Sponsorship Opportunity letter for details on the levels of sponsorships available.

Your support of the event will help us ensure that this year's ride is another successful one.
